

Arjun Reddy

Bangalore, Karnataka | +91-98XXX-XXXXX | arjun.reddy@email.com | linkedin.com/in/arjunreddy | github.com/arjunreddy

Professional Summary

Results-driven Computer Science Engineer with 4+ years of experience in full-stack development using Java, Spring Boot, and React. Proven track record of building scalable applications serving 500K+ users. Expertise in data structures, algorithms, and system design. Contributed to projects that reduced API response time by 40% and improved system reliability to 99.9%. Proficient in AWS, Docker, and CI/CD practices. Strong problem-solving skills with 300+ LeetCode problems solved. Seeking to contribute technical expertise to a dynamic engineering team.

Technical Skills

Languages: Java, Python, JavaScript, TypeScript, C++, SQL **Backend:** Spring Boot, Spring MVC, Node.js, Express.js, REST APIs **Frontend:** React.js, HTML5, CSS3, Redux, Bootstrap **Databases:** MySQL, PostgreSQL, MongoDB, Redis **Cloud & DevOps:** AWS (EC2, S3, RDS, Lambda), Docker, Jenkins, Git **Testing:** JUnit, Mockito, Jest, Selenium **Tools:** IntelliJ IDEA, VS Code, Postman, JIRA, Confluence **Concepts:** Data Structures, Algorithms, System Design, OOP, Design Patterns

Professional Experience

Software Engineer | Flipkart | Bangalore | April 2022 – Present

- Develop and maintain backend services using Java and Spring Boot for India's largest e-commerce platform
- Build RESTful APIs handling 100K+ daily requests with 99.9% uptime
- Reduced API response time by 40% through query optimization and Redis caching
- Implemented search functionality using Elasticsearch serving 500K+ daily searches
- Developed React-based admin dashboard for inventory management
- Participate in system design discussions and code reviews
- Mentor 2 junior engineers on Java best practices and clean code
- Received "Star Performer" award for Q2 2023

Associate Software Engineer | Infosys Ltd | Hyderabad | July 2020 – March 2022

- Developed web applications using Java, Spring MVC, and Angular for US retail client
- Built microservices handling order management and payment processing
- Wrote unit tests achieving 80% code coverage using JUnit and Mockito
- Collaborated with onsite team for requirements and sprint planning

- Deployed applications on AWS EC2 and managed CI/CD pipelines using Jenkins
- Optimized database queries reducing page load time by 30%

Intern | TCS (Tata Consultancy Services) | Chennai | Jan 2020 – June 2020

- Developed inventory management module using Java and Spring Boot
 - Created REST APIs for CRUD operations
 - Learned Agile methodology and version control with Git
 - Completed TCS Digital certification program
-

Projects

E-commerce Platform | Flipkart | 2022 – Present

- Backend services for product catalog and search
- Technologies: Java, Spring Boot, Elasticsearch, Redis, MySQL
- Scale: 500K+ daily users, 100K+ API requests
- Achievement: 40% faster search, 99.9% uptime

Online Food Ordering System | Personal Project

- Full-stack application with restaurant listing and order management
- Technologies: React, Node.js, MongoDB, Express.js, AWS
- Features: Real-time order tracking, payment integration
- GitHub: github.com/arjunreddy/food-ordering

LeetCode Problem Solving | Ongoing

- 300+ problems solved (200 Medium, 80 Hard)
 - Topics: DP, Graphs, Trees, Two Pointers, Sliding Window
 - Profile: leetcode.com/arjunreddy
-

Education

Bachelor of Technology (B.Tech) in Computer Science | NIT Warangal | 2020

- CGPA: 8.2/10
- Relevant Coursework: Data Structures, Algorithms, Database Systems, Operating Systems, Computer Networks
- Final Year Project: Distributed File System using Java

Higher Secondary Certificate | CBSE Board | 2016

- 91% in Science stream (PCM)
-

Certifications

- AWS Certified Developer – Associate | AWS | 2023
 - Oracle Certified Professional: Java SE 11 Developer | Oracle | 2022
 - Data Structures and Algorithms Specialization | Coursera (Stanford) | 2021
-

Achievements

- Ranked in Top 5% on LeetCode (300+ problems)
 - First Prize in College Hackathon 2019
 - ACM-ICPC Regionals Participant 2019
 - Star Performer Award at Flipkart Q2 2023
-

Languages

English (Fluent) | Hindi (Native) | Telugu (Native)

Declaration

I hereby declare that the information provided above is true to the best of my knowledge.
